

State Fire Training Instructor Update Course

Description: State Fire Training (SFT) has recently undergone a process to update its curriculum. This **mandatory** course is designed to provide SFT Registered Instructors **or** those who are pursuing SFT instructor registration with the information and tools they need to successfully conduct an SFT course. This course will inform instructors of changes within SFT as it relates to the use of Terminal and Enabling Objectives (TLO/ELO), Test Planning, and modifications to SFT Curriculum processes and documents.

Exemption: If you have previously attended an Instructor Update Course (IUC) **or** have completed Training Instructor 1C after August 1, 2013 **or** the new Instructor II course you **do not** need to attend an IUC

Date: December 14, 2015
